

Rainwater Harvesting for Drylands and Beyond, Volumes 1 & 2

Wholesale Ordering Information

Thank you for your interest in the wholesale purchase the new full-color, revised editions my books, *Rainwater Harvesting for Drylands and Beyond, Volumes 1 and 2!*

By ordering here, you buy directly from, and best support, the author.

No middleman takes a cut, so Brad can invest more into the creation of additional publications and free online educational resources.

To qualify for wholesale rates through Brad's self-publishing house, Rainsource Press, your *non-bookstore* entity **must order 6 or more copies of a desired title.** (Bookstores, please see National Distributor information below.)

You must also provide me with your contact info, state business license number (in Arizona this is your Transaction Privilege Tax License, or TPT, Number), and the state for which the (TPT # applies)

To do so, register here:

<https://www.harvestingrainwater.com/shop/my-account/>

I will then email you once your registration is confirmed, and you can make your wholesale orders, through my [online shop](#) (wholesale option will be enabled once you are registered and confirmed).
